

Join the NEXT Village Community on WhatsApp

Did you know the members of NEXT Village SF can now connect over WhatsApp? This message board platform allows members to connect over shared interests outside of the NEXT Village offerings. This way of connection gives you the freedom to connect with other NEXT members without going through staff.

How to join

1. **Download WhatsApp on your phone or computer.** Check out the video at the bottom of this email to see how to set up a WhatsApp account on your phone. Below that, there are instructions to set up the app on your computer.
2. **Click the name(s) of the group chat(s) below that you would like to join.** Alternatively, contact Camille at [415-574-0156](tel:415-574-0156) to be added to the groups of your choosing. New groups can be created if there is a high enough demand. Please note that your request to join may take up to 24 hours to be approved.
