- EIR ~ residents points ~ van
- Me: side of house ~ walkability ~ parking ~ generator noise
- Centenary: Laura ~ Wednesday
- Officers?
- Heritage Happenings

Chartreuse taste like Christmas without the abuse Eric Cullen a quiet but vibrant disdain

- Shirley: lunch ~ nondisclosure ~ affiliation ~ agenda ~ limited understanding of the residents

Ethan makes 3d Becoming supernatural Joe Joe dispenza Add my daughter's telephone numbers to my Google and Microsoft accounts Pioneer society anne Pharma america Martha 30 residents present and Survey care pleased Non-ambulatory soon license Functionally non- 3 years work 2035 1st quarter permit , affiliate must preserve culture Rox 18 jul Brittany: yasin Casey: account March financial 25 July Yardi migration October 2024 23 audit 14 Aug Praveen lvn CNA Kayla ware No map!! Wander guards Tracker GPS Replica talks to EMT Care plan Physician report update Hospice Friday 11am Hector Santa Claus national Park Spicer Meadows reservoir Patrick: notes, 100 year, house California historical society visit Thank sant Helsinki declaration 1964 research ethics Right to be forgotten GDPR Got it Charlie What Have We Liberals Done to the West Coast? Jun 15 Kristov Centrist voters can reasonably ask: Why put liberals in charge nationally when the places where they have greatest control are plagued by homelessness, crime and dysfunction? Politics always is part theater, but out West too often we settle for being performative rather than substantive. Fragrance lady for Roxana Dennis names Web site wp tech Sdg White carpet porter so just write a Samsung note and then Click the magic button pencil + wand button and bingo! A network of dining room servers. People who have served me in restaurants that I like, well this should be a network of them I should be able to contact them or interact with them. They're the stars of the

meal that I experienced why don't they have their own fandoms? If they move from one joint to another guess what I will go x to the new joint El Mariachi loco is the one who dances Remember: a startup dedicated to using AI systems to talk to old people to record their memories for posterity. This will help AI gather more data and help hope people feel more engaged and useful. Texting 123 Can you hear me now comma? Question mark I wonder which thing are you using? People versus gopal Outlive Explicit Honesty. Never lie if asked if something is true. but if not asked, make no guarantees Nora? 45th artist I need to do it collective co-op okay Use those arms and hands at night to testiculate for fun and get some exercise and move those bones Million dollar donation Audited update Make haste slowly granucci Oct 4 Aug 18 Marissa was Alex's administer assistant want to be Forced sale of tik Tok? What are two topics you might discuss? General topics such as last night's game or a favorite TV show are fine. What is one thing you hope to say? What is one question you will ask? Imagine the world where everybody was suffering. There must be a reason why some people like us are living in Paradise. Exercise the arms at night French 75 Negroni Boulevardier <https://theo-armour.github.io/agenda/#1-simplicity/README.md>
